INTRODUCTION

The Angling Section is a friendly, family orientated group of members of varying ages and lifestyles who are actively involved in recreational and competitive fishing, whether it be from either a boat or beach.

These include weekly boat fishing trips, monthly Boat Angling competitions, quarterly Beach Competitions and the annual Open Harbour Classic event.

The season runs from July 2023 to June 2024, culminating in the annual Angling Presentation Dinner. All Club members are invited to join in the activities of the Angling Section.

INSHORE AND DEEP-SEA FISHING

Bring your own boat or if you do not have a boat to go out fishing, don't worry as the Club vessel is also involved in the regular fishing trips and boat competitions. The weekly inshore fishing trips on Wednesdays start at 7am, with the boat returning by 2pm. Cost depends on the running time of the boat motor. Please contact Ian McCall (0450 765 646) or reception (9246 2833) if interested. The monthly Boat Angling Competition generally takes place on the third Sunday of each month (see Angling Section Calendar on page 10 or HYC website). Members intending to go out fishing on the Club boat need to enter their names in the boat book at HYC reception up to one week prior to the fishing day.

JUNIORS WELCOME

Our very popular Junior Fishing Clinics during school holidays are an excellent introduction into recreational angling, teaching children on how to use fishing gear and identify and handle fish correctly. Children will also be introduced to the concept of 'fishing for the future' by learning about minimum sizes, bag limits and open and closed seasons for certain species. A weigh in for the fish caught enhances these processes prior to the closure of the clinic.

2023 - 2024

Position	Encumbent
Rear Commodore	Bill McPherson
Angling Captain	Allan McDiarmid
Secretary	Allan McDiarmid
Treasurer	Ron Thornton
Publicity Officer	John Campbell
Weigh-in Officer	Bill McPherson
Field Day Officer	Ian McCall
Records Officer	Paul Frzop
WAIBAC Delegate	Paul Frzop Ian McCall
HYC Boat Committee	Ian McCall
HYC House Committee	

Monthly section meetings are held at the Club on the second Monday of each month, commencing at 7:00pm. All Club Members are welcome to attend. The schedule for boat competitions and beach competitions are specified in the handbook.

CODE OF PRACTICE

LOOK AFTER OUR FISHERIES

1. Take no more than your immediate needs.
2. Understand and observe all fishing regulations.
3. Support and encourage activities that restore and enhance fisheries and fish habitats.

PROTECT THE ENVIRONMENT

4. Remove rubbish to prevent pollution and to protect wildlife.
5. Use established roads and tracks wherever possible.
6. Take care when boating and anchoring to avoid damaging sensitive areas.
7. Report environmental damage and pollution to the relevant authorities.

RESPECT THE RIGHT OF OTHERS AND FISH HUMANELY

8. Quickly and correctly return unwanted or illegal catch to the water.
9. Use only legal tackle, attend your gear and value your catch.
10. Obtain permission to enter land and respect the rights of all to use the waterways.

BOAT & BEACH COMPETITIONS

SPECIES ANGLING COMPETITION

The competitions and point scoring system are based on catching a conservative number of nominated fish species, not just the heaviest bag of fish. An angler's catch shall include the heaviest ONE of each nominated species in their bag to be weighed in. The inclusion of more than one of any nominated species in the weigh in bag will result in disqualification. Whenever in doubt, check with the weigh in officer prior to the start of the weigh in. Other fish can be weighed in for records, before or after the competition weigh in.

POINTS SYSTEM & PRIZES SPECIES COMP

An Anglers competition score comprises of a combination of factors including points for attendance, number of species and bag weight, as follows:

1. 10 points for competitors signing on/off prior to the weigh in.
2. The first eligible specie is awarded 7 points with 1 point per specie thereafter on a graduating scale as follows:
 - 1st specie – 7 points = 7 points
 - 2nd specie – 8 points (+7) = 15 points
 - 3rd specie – 9 points (+15) = 24 points
 - Etc.

3. Total bag weight x 2 points per kilogram and/or part thereof.
4. A maximum weight of up to 10kg for Samson Fish and Sharks.
5. The categories of Section Winners for each monthly boat and quarterly beach competition include:
 - Men's highest point scorer
 - Ladies highest point scorer
 - Junior highest point scorer
 - Mini Junior highest point scorer

Should there be less than two competitors in any category, the participant will participate in the Mens category.

6. In the event of equal category points, the winner is the competitor with the greatest number of species. If this is the same, then the bag with the heaviest single fish will determine the category winner.
7. Additional prizes are also awarded for the heaviest of each species relevant to the competition caught on the day with a prize also being available to the winner of the "chocolate wheel"

COMPETITION ENTRY

Entry to the competition is open to all members of Hillarys Yacht Club along with invited guests and potential members who can compete as "Visitors" up to three times.

Categories and age breaks:

- Mens and Ladies: 17 years and over on the 1st of August of that year
- Juniors: Aged between 8 and 16 years on the 1st of August of that year
- Mini-Juniors: Under 8 years on the 1st of August of that year

BOAT COMPETITION TIMES

Specific competition start times and end times vary see event details (Rules 6)

Sign-on: a weather report including confirmation of competition go-ahead (rule 25) and a signon sheet will be in the Wet Bar on competition days approximately 1 hour prior to the event

start time. For safety, please also ensure to log-on and log-off with Whitfords Sea Rescue call sign VJ6LQ

Sign-Off: for safety reasons all competitors **MUST SIGN OFF** directly or via a proxy regardless of whether they are weighing in any fish or not. Whitfords Sea Rescue will be notified of any angler not accounted for 30 minutes after weigh in commences (see rule 2).

Weigh in at Hillarys Yacht Club (unless specified otherwise).

BEACH COMPETITION TIMES

Competition start and end times vary, see event details (Rule 6)

Sign-on: a sign on sheet will generally be in the Wet Bar prior to the event start (unless specified otherwise - typically for away events).

Sign-Off: for safety reasons all competitors **MUST SIGN OFF** directly or via a proxy regardless of whether they are weighing in any fish or not.

	10th	Monday	Section Meeting 7pm & Section AGM (date TBC)
	16th	Sunday	Species Boat Fishing Comp; Start 7am, Weigh-in 4pm
	23rd	Sunday	Species Comp Backup

***Alternate dates should weather/other circumstances result in postponement*

COMPETITION RULES

1. All competitors must sign on prior to competing in the competition. New skippers must complete the Skippers Boat Registration Form.
2. All competitors **MUST SIGN OFF** at the weigh-in or via a proxy.
3. Undersized or protected species presented in the weigh in area after commencement of the weigh in will result in automatic disqualification.
4. Bags must be hessian or cloth - Plastic bags are not allowed.
5. Competitors' bags must be in the weigh-in area prior to the commencement of the weigh-in.
6. Competitors' bags in the weigh-in area must contain **ONE ONLY** of each nominated species listed on page 15 in this document.
7. All rays or similar, gurnards or other poisonous species are **NOT ALLOWED IN THE WEIGH-IN AREA**. Weighing these fish for records shall be recognised after consultation with the Field Day Officer/Weigh-In Officer only.
8. All fish must comply with WAIBAC or Fisheries Department minimum size standards. Nominated species without legal size shall have competition minimum size of 200mm or as nominated by the Angling Committee.
9. Mutilated fish will not be accepted for weigh in. Gilled or gutted fish are acceptable with no adjustment allowance for the lost weight.
10. Disputes must be reported to the Field Day Officer within 10 minutes of the close of the weigh-in. A Dispute Committee shall adjudicate on all disputes and their decision shall be final. The Dispute Committee will consist of three Angling Committee members nominated by, but excluding, the Field Day Officer.
11. The Field Day Officer and/or Angling Committee shall have the right to vary arrangements and rules to contribute to the smooth running of competitions.
12. **LATE WEIGH-IN EXEMPTIONS.** A competitor delayed due to towing a boat in distress can be considered for a late weigh-in, however, this exemption will not apply to competitors on the boat in distress.
13. In the event of a fish being hooked in or through the mouth by more than one competitor, specie(s) and weight points will be shared. Total points allocated will not exceed those available to a single angler.

14. All fish must be caught by the competitor weighing in. Each angler must hook and bring in their own fish. They may receive help in gaffing, gilling or landing, without the assistant handling the competitors rod, reel or line.
15. A competitor must not use more than two rods or handlines at any one time, and each rod or line must not have more than two hooks. (A flight or hooks joined is considered to be one hook). Further current demersal rules allow when fishing for demerals only 1 bait or lure per line can be used when fishing from a boat.
16. All boats must comply with the Department of Transport, Boat Regulations as applicable.
17. Boat pairing is recommended for safety.
18. Radio communications during competitions is on 27.96MHz (Ch 96) or VHF 72.
19. Prior to competing, for your own safety please log on with Whitfords Sea Rescue on VJ6LQ on VHF 77 or 27.90MHz (Ch 90).
20. Remember to LOG OFF at the end of the day. Whitfords Sea Rescue Tower phone number is 08 9401 3757. If competitors have not logged off or advised the Club within 30 minutes of closure time (4:30pm), Whitfords Sea Rescue will be contacted and advised the anglers in question are listed as overdue.
21. All competitors in the angling competitions or participating in any Angling Section events, do so entirely at their own risk, and Hillarys Yacht Club Inc. and /or any associated Committee(s) will not be held responsible for any loss or damage incurred during the event.
22. At the conclusion of the June competition, the Records Officer will calculate:
 - The final Boat Competition score for each angler will be calculated by adding their best nine (9) monthly competition scores together, where more than 9 species competitions are fished.
 - The final Beach Competition score for each angler will be calculated by adding all their beach competition scores together.
23. End of year trophies can only be won by financial Club Members.
24. 'MOST RECORDS CAUGHT' Trophy will only be assessed from fish weighed in Club competitions.
25. WEATHER RULE
Strong Wind Warning
For local boating events, if a Strong Wind Warning is issued by the Bureau of Meteorology at the 4:30 am report on the competition day for any period 4:30am to 12:00 midnight

for Perth Local Waters: Two Rocks to Dawesville, inshore from Rottnest Island, the competition for that day is automatically cancelled.

Bureau of Meteorology: <http://www.bom.gov.au/wa/forecasts/perth-waters.shtml>

In the event of inclement weather, the competition may be cancelled or the start time may be delayed for up to one hour depending on circumstances. A subcommittee of a Field Day Officer and two other Club members nominated by him/her will make the decision to fish or not. If it is decided that the competition is cancelled, the competition shall be postponed until the next available Sunday in the month (see Angling Calendar). If conditions on the next alternate Sunday are deemed unfavourable, the competition will be cancelled for that month. The decision of this committee is final.

BOM provides detailed marine weather information; the following link can be used to source information for Perth Local Waters Forecast <http://www.bom.gov.au/wa/forecasts/perth-waters.shtml>

BOM WA Marine Telephonic Service 1900 926 150 also provides recorded weather forecast information for various regions in West Australia, including Perth Local Waters

26. DISCARDING FISH RULE

All participants are required to observe the responsible fishing practices set out in the WAIBAC Association's Recreational Fishing Code of Conduct. Competitors should not knowingly discard whole fish caught prior, during or after any event, subject to the severity of the incident, further action may be taken by the clubs executive committee.

SPECIES	MINIMUM SIZE
Baldchin Groper	300mm
Breaksea Cod	200mm
Bream	250mm
Cobbler	430mm
Dart	200mm
Dhufish Western Australian	400mm
Emperors	minimum size as per Fisheries applies
Flathead	300mm
Flounder	250mm
Foxfish/Pigfish	[all] 300mm
Game Fish	per Fisheries Department Regulations
Goatfish	[all] 250mm
Harlequin	300mm
Herring	200mm
King George Whiting	280mm
Leatherjacket	250mm
Mackerel (blue)	200mm
Mulloway	500mm
Pike	300mm
Samson Fish	Maximum of 10 points 600mm
Sand Bass	250mm
Shark (excluding Great White, Grey Nurse, Port Jackson, Shovelnose, Rays, Fiddler and Rays)	 <p>← 700 mm → maximum size limit</p> <p>Insertion of the second (rear) dorsal fin.</p>
Snapper Red	300mm
Snapper Pink	500mm
Snapper Queen	410mm
Spanish Mackerel (Narrow Barred)	900mm
Spanish Mackerel (Black Spotted)	500mm
Squid (hood length)	200mm
Sweep	[all] 300mm
Tailor	300mm
Tarwhine	250mm
Trevally	[all] 250mm
Tuna	220mm
Whiting (School, Yellowfin Western or Weed)	200mm

GENERAL INFO

CLUB BOAT BOOKINGS

Monthly Angling Competition or Mid-Week Angling can be booked through the Club Administration Office phone 08 9246 2833.

FISHING WEATHER FORECASTS

There are many useful websites with additional weather details useful to anglers, these include;

BOM Meteye (provides hourly wind and sea data over the region via a map)

http://www.bom.gov.au/australia/meteye/?loc=WA_FA001

Sea breeze (provides hourly wind and sea data, also provides realtime information from weather stations and buoys in the area)

<https://www.seabreeze.com.au>

Windy (provides hourly wind and sea data over the region via a map)

<https://www.windy.com>

OTHER USEFUL WEBSITES

Whitfords Sea Rescue

<https://www.whitfordssearescue.org.au/>

Recfishwest

<https://recfishwest.org.au/>

HARBOUR CLASSIC

JUNIOR FISHING CLINIC

2023 PRESENTATION DINNER

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
